## INFORMATION TECHNIQUE

| Patron - Largeur                                                                                        | Composition                                                                                | Fin       | Abrasion (D.F.) | Résistance à la lumière | Code de nettoyage |
|---------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------|-----------|-----------------|-------------------------|-------------------|
| <b>OPTIC - 54"</b><br> | 83 % polyester recyclé post-consommation<br>Endos: latex<br>17 % Polyester<br>Endos: Latex | Antitache | 185 000^        | 40 Heures<br>Classe 4   | WS                |

### CODE DE NETTOYAGE

- **W:** Utiliser un agent nettoyant à base d'eau ou de mousse.
- **WS:** Utiliser un agent nettoyant à base d'eau ou de mousse ou un solvant pur et sans eau.

### INFORMATION ADDITIONNELLE

**^Abrasion:** Plusieurs facteurs affectent la durabilité et l'apparence des recouvrements, notamment l'usage et l'entretien du produit. Les résultats de test Wyzenbeek supérieurs à 100 000 double frottements n'ont pas démontré être une mesure fiable de la longévité d'un recouvrement. Veuillez consulter le site web de Mayer pour d'autres spécifications techniques.

## TECHNICAL INFORMATION

| Width - Pattern                                                                                           | Content                                                                    | Finish          | Abrasion (D.F.) | Lightfastness       | Cleaning Code |
|-----------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------|-----------------|-----------------|---------------------|---------------|
| <b>OPTIC - 54"</b><br> | 83 % Post-Consumer Recycled Polyester,<br>17 % Polyester<br>Backing: Latex | Stain Repellent | 185,000^        | 40 Hours<br>Class 4 | WS            |

### CLEANING CODE

- **W:** Water-based foam or cleaner.
- **WS:** Use water-based or foam cleaning agent, or pure water-free solvent.

### ADDITIONAL INFORMATION

**^Abrasion:** Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results above 100,000 double rubs have not been shown to be a reliable indicator of increased fabric lifespan. Specifications: Specifications are correct at the time of printing.
